Remarks

The amendments to the claims made herein convert them into a form more acceptable for prosecution in the United States. Support for the amendments can be found in the corresponding claims as originally filed. The amendments do not add any new matter to the application, and their entry is respectfully requested.

Conclusion

In view of the amendments and remarks above, it is believed that the present application is in condition for immediate allowance. Early notice to this effect is earnestly solicited. If, in the opinion of the examiner, a phone call may expedite prosecution of this application, the examiner is invited to call applicant's undersigned attorney at (202)639-6585.

Respectfully submitted,

VINSON & ELKINS L.L.P.
